## AUDIT A COURSE

Auditors are regularly admitted students who register, with the consent of the instructor, for informational instruction only and who receive no credit. They do not take course examinations and the extent of their classroom participation is at the instructor's discretion.

- Please first check with the department to see if the course can be taken with the audit grading option.
- Audited courses are entered on the student's transcript with a grade of "L" and are subject to regular tuition and fee charges.
- Once you change the grading mode to "audit" you may not change back to the A-F or CR/NC option unless you have written permission from the instructor.
